

# THE POWER OF YOUR TESTIMONY

## THE SECRET INGREDIENT TO SALES SUCCESS!

WITH **KATHLEEN D. MAILER**

Kathleen D. Mailer is in tremendous demand as one of the most dynamic, passionate, and influential speakers in the world today. She uses her life experiences, wisdom, and teaching to help people not only find their only unique purpose, passion, and mission in life, but she also shows them how to package that message to create the income they need, in order to enjoy the life they were destined to live. In her very own words:

*We have everything we need (all of us) at our fingertips to live a life of prosperity and abundance. We have to learn to unearth the nuggets, discern which ones are gems, polish them up and, like all gifts, share them with the world.*

Kathleen will discuss 3 ways to use your testimony to double your income in the next 6 months. Putting this plan into ACTION will help you open doors, overcome objections BEFORE you even get them, give you instant credibility, turn tire-kickers into paying clients, and so much more!
